October 2017

## SEASON 2017-18 IS HERE

Here we are back again for another fantastic season ahead at our awesome pool facility. Our open day on October 7<sup>th</sup> 1-4pm is FREE ENTRY! We have a lot of projects underway for improvements to our pool. Thank you to our awesome committee members for coming back each season to keep this facility running and working towards new and improved options. Good luck to our new lifeguards completing their training through the school holidays. Our four new staff coming on board are Willow Wright, Jakob Whakatutu, Katie Sinclair and Brook Smith. Looking forward to seeing you all!

### Learn To Swim!

An awesome 120 students are enrolled in our swimming lessons for Term 4. We welcome Katie Sinclair to our team of qualified instructors. Katie brings a heap of swimming skills and knowledge to our program. At the end of this term we will farewell Brody, Aleisha & Taylor-Faith who are off to university in 2018 and Hannah who is due to have her baby in March. To keep this great program running in our community we will need extra help. Learn To Swim offers paid training and is a paid position. If you are interested please put your hand up. We can organise a chance for you to experience what its all about before committing. We are a friendly team of students and adults all working together for the benefit of the children in our community.

### SWIM-A-THON

This is an idea in the process, feedback and interest welcome. How cool would it be to be a part of a team to swim "Around The Mountain"? Start training, start fundraising. Set your distance goals, set your fundraising goals. Make a big day of it! Fundraising towards a big project like painting of the pool. All ages from 8+, all swimming ability levels welcome. The focus would be keeping active in our community. It will be a day of celebration together with sponsors, spot prizes and lots of fun with community members achieving their swimming goals. Let me know what you think. - Hannah.
